# SENIOR TRIP

## Who is Senior Trip for?

This trip is for the graduating high school class of 2021.

## Where is it?

Austin, TX

## What is it?

Senior Trip is a unique and exciting three-day retreat for incoming seniors to travel to Austin, Texas with White's Chapel co-pastors Drs. John McKellar and Todd Renner. While in Austin, students will be able to put a huge dent in their ATX bucket list. But, all of this is just the background for the more important experience of students talking about their faith and learning more about what they believe in a small group setting with their pastors.

## When is it?

Senior Trip will begin on June 23 and end on June 25.

## Registration is online only:
